

Coronavirus Information

The health and safety of our employees and the customers we serve is our top priority. Please be assured that we are closely monitoring the coronavirus (COVID-19) situation. We want to share information with you about the steps we are taking to continue to operate safely and effectively.

What we are doing:

Our team is monitoring information from the Centers for Disease Control and Prevention (CDC), and federal, state and local agencies to help ensure the actions we are taking are in line with the latest CDC recommendations and guidelines.

We are communicating regularly with our employees to keep them informed and to ensure their safety and that of our customers.

As a precautionary step, we have hand sanitizer available in our branches for use by both employees and customers, and we are conducting enhanced cleaning in our facilities as needed.

What you can do:

Stay up to date! Visit the Centers for Disease Control and Prevention (CDC) website at <https://www.cdc.gov/coronavirus> for up to date information.

Follow these everyday preventive actions as outlined by the CDC, to help prevent the spread of respiratory diseases:

- Wash your hands often with soap and water for at least 20 seconds.
- Use an alcohol-based hand sanitizer if soap and water are not available.
- Avoid touching your eyes, nose, and mouth with unwashed hands.
- Cover your mouth and nose with a tissue when you cough or sneeze.
- Avoid close contact with people who might possibly be sick.
- Please stay home when you are not feeling well.

Learn more about our [Online Banking](#) and [Mobile Banking](#) services. These services will allow you bank from almost anywhere 24 hours a day, 7 days a week. Download our Touchbanking Mobile App to deposit checks, pay bills, transfer money, set and receive alerts, and send and receive money through Popmoney.

Any changes to our normal banking hours will be posted on our website and our Facebook page.

Pickens Savings and Loan's first priority remains keeping employees and customers safe! We strive to keep both employees and customers well-informed while doing what we can to help minimize potential spread of the coronavirus.
